

Further information for VITAL Online Users on the update from version 3.0.1 (previous version) to version 3.0.2 (updated version)

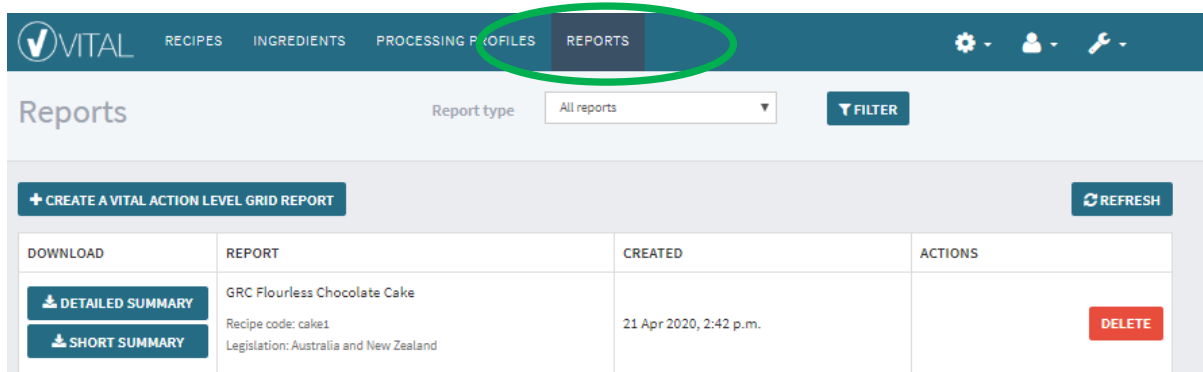

VITAL Calculator version no.:3.0.2

VITAL Online **Version 3.0.2** has the correct VITAL Program Version stated in the footer of the Detailed, Summary and Action Level Grid Reports. The VITAL Program Version has been corrected from "VITAL Program Version 2.0" to "VITAL Program Version 3.0". This change affects the information in the footer of the report and does not affect any outcomes from VITAL Online.

An updated report, with the correct VITAL Program Version in the footer of the report, can be created as follows:

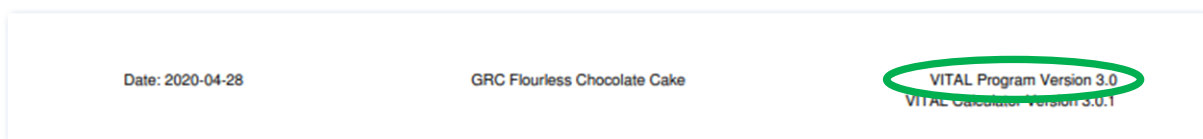

- 1) find the report in the REPORTS tab (Figure 1) of VITAL Online
- 2) download the report (by clicking on it) – the change will be automatically completed (Figure 2).

Figure 1 – Navigate to the REPORTS tab of VITAL Online to find previously produced reports.
